

AC Elevator Co Ltd
Reference Letter

January 15th, 2021

To Whom It May Concern

I have worked with AC Elevator Co Ltd on several Elevator Modernization projects. It has become clear to me that they hold themselves to higher standard and take pride in what they do. Their accurate scheduling, great communication and overall workmanship has been nothing short of amazing. I would not hesitate to recommend them again.

Please do not hesitate to contact me if you have any questions or concerns.

Yours truly,

Marc Cengiz R.C.M
Operations Manager
